STEP 4: USPAP COURSE OFFERINGS

1. All instructors must be AQB certified. USPAP instructors will be required to complete a National USPAP Course Report Form (available from ASA HQ) containing the name, email address, and telephone number of each student. Completed forms must be returned to ASA HQ for submission to the Appraisal Foundation.
2. Chapters are required to provide both the USPAP Book and the Student Manual for each registered attendee.
3. Chapters are responsible for obtaining proper state approval for all USPAP courses they sponsor. Chapters need to make sure they allow enough time (usually 60 days) to obtain this approval in advance of the course offering. If approval has not been obtained, chapters need to inform all registered attendees and offer attendees a full refund should one be requested. Please note that state approval is not required for ASA reaccreditation purposes.
